

GOVERNOR SETS
O'BOYLE FREE

Pardons Young White Man Who Killed Negro Woman in Newport News.

Acting upon an urgent petition signed by the court officials and jurors who found William O'Boyle, of Newport News, guilty of murder about seven years ago, Governor Swanson has pardoned the prisoner and liberated him from the penitentiary, where he was serving a life sentence.

The case of O'Boyle was a most interesting one, and the trial was highly sensational. The man, who had been in the artillery service, was representing a brewery in Newport News, and while on a protracted spree and practically crazed from the effects of drink, killed a colored woman. He was tried, convicted of murder in the first degree, and sentenced to hang. An appeal was made to Governor Montague for mercy on the ground that the man was drunk and not cognizant of his actions when he committed the crime. The Governor commuted the sentence to life imprisonment, and O'Boyle's friends later started a movement for an absolute pardon. Captain Frank W. Cunningham and other prominent Richmond people took an interest in the case, and finally Governor Swanson yielded to a petition, which was signed by the trial judge, Commonwealth's attorneys, and other court officials and members of the jury who sat on the case.

Captain Cunningham carried the papers personally to the prison, and after O'Boyle was released he was fitted out in new clothes and sent to his friends and relatives in Philadelphia, who stood loyally by him in his troubles.

To Inspect Farm.

Governor Swanson, Superintendent E. F. Morgan, of the penitentiary, and members of the board of directors of that institution will leave for the State farm for a tour of inspection this morning. They will spend the day going over the place, and will return here this afternoon. The Governor is anxious to keep in close personal touch with the management of the various public institutions of the State, and will visit others from time to time during the year.

Hear Rate Case To-Day.

The first public hearing held by the State Corporation Commission since Judge William F. Rhea became a member of that body will take place today, and the case is one that comes up from Judge Rhea's own section. It will be in the nature of an application on the part of the Virginia and Southwest Railway for permission to increase its passenger fares to 4 cents per mile, the commission having recently made a reduction to 2 cents per mile.

The Town Council of Gate City, which is the county seat of Scott, has filed a protest with the commission against the proposed restoration at the higher rate, and there will probably be other objections to-day. The hearing will last for several days, unless some compromise order is agreed upon without going into the matter at length.

Brief Capital Notes.

Colonel Charles A. Dempsey, United States Army, who is attached to the Military Department of Virginia, has returned from a tour of inspection of the various companies of the State, and was in his office at the Library yesterday. Colonel Dempsey is not favorably impressed with the condition of some of the companies. He is of opinion that the trouble arises mainly out of a lack of interest on the part of some of the officers and men.

Hon. Joseph D. Eggleston, Jr., Superintendent of Public Instruction, has gone to Memphis, Tenn., where he will attend a conference of Southern school officials.

The Supreme Court has granted an appeal in the case of the Board of Trade Building Corporation vs. Cralle, from the Law and Chancery Court of the city of Norfolk.

Gambling Verdict Stands.

Having refused to set aside the jury's verdict in the case of Alexander Heltholzer and Homer, convicted in the Hustings Court for running a gambling house, Judge Wilt yesterday gave the defense until April 25th to file their bill of exceptions to the Supreme Court. Heltholzer and Homer each got a sentence of ten days in jail with a fine of \$250.

White Crap Players Fined.

W. Newman and nine others, charged with being disorderly in the barber shop at No. 841 East Broad Street, Newman's place, were fined heavily in the Police Court yesterday morning for playing crap. Newman paid \$25 and the others \$10 each. They were all caught red-handed by Policemen Goldsby and Talley.

LEFT PROPERTY TO
CHARITY HERE

John Murphy Gives \$1,000 to Little Sisters of the Poor and \$1,000 to St. Joseph's.

Officers of the Virginia Trust Company qualified in the Chancery Court yesterday as executors of the estate of John Murphy, a former resident of this city, who died in Scotland, Ireland, on March 21st. The estate, valued at \$12,000, was bequeathed to worthy Catholic charitable institutions, the sum of \$1,000 going to the Little Sisters of the Poor, of this city, and a like amount to St. Joseph's Orphan Asylum and Academy, also of Richmond. Under the terms of the will these establishments are to use the interest, the principal being held in trust as a beneficiary fund. One-half of the residue of the estate is left to the Associated Professors of St. Mary's Seminary, Baltimore, and the other half to St. Charles College, Howard county, Md.

The will was written by Mr. Murphy in Richmond on June 18, 1900, Mr. Preston Corke and Mr. M. J. Taylor being witnesses. At that time Mr. Murphy was here on a visit. His papers were in a safety deposit box in the Virginia Trust Company's offices, and not until a letter was received in this city was it known that he had left his property to charity.

DELAYS SALOON HEARING

Judge Wilt Holds Up Four Applications Until the May Term.

From the bench in the Hustings Court yesterday Judge Wilt announced that the public hearing on the question of granting four additional saloon licenses, to bring the maximum number up to 150, would not be held until the May term. Somebody got the impression that because of this ruling all the saloons could remain open until the matter is finally adjusted. If any dealer believes he can sell after May 1st without a license he will ship his liquor to the city.

One hundred and forty-six licenses have already been granted. About seventy more are being rejected, meaning that this number will go out of business at the end of the month. Pending a decision by the court the four dealers who are temporarily held up will probably be permitted to continue in business.

One Permit Issued

Building Inspector Beck issued a permit yesterday to J. T. Nuckolls to repair the store at No. 105 North Fourteenth Street at a cost of \$450.

London's Deed of Trust.

Samuel J. London and his wife filed a deed of trust in the Chancery Court yesterday to Henry S. Hutzler, trustee, on the premises No. 134 East Main Street, to secure loans aggregating \$14,000.

Easter Monday Marriage Licenses.

Easter Monday marriage licenses were issued yesterday as follows: Robert H. Williams and Miss Sally McKinley; Marshall D. Morris and Miss Grace E. Cousins; Richard S. Morris and Miss Sarah E. Marks.

MAYOR APPROVES
MANY NEW LAWS

Signs Ordinance Reducing Water Rates—Money for Charities Convention.

Vetoing none, Mayor McCarthy returned to Clerk of Council Ben T. August yesterday a number of ordinances, properly approved, which now become a part of the city laws. The crude system of law-making was rather forcibly emphasized when it was necessary for the two branches of the Council to pass ordinances giving to property-owners the right to erect street signs, build platforms and the like, all of which ordinances had then to be approved by the Mayor to be valid.

Some of the New Laws.

Among the measures signed were the following: Authorizing a number of street improvements in the annexed territory. Ordinance regulating the water rate, making 47 cents per month the minimum when one house is occupied by two families, and when the stipulated supply is not exceeded. Resolution permitting the Virginia Mechanics' Institute the free use of 150,000 cubic feet of gas. Abolishing the Council Committee of Police, Elections and Schools, and transferring the duties. Increasing the salary of the assistant superintendent at the City Home to \$1,200 per annum. Contract with H. B. Frischkorn for Water Department supplies aggregating \$5,891.31. Two contracts with the Washington Asphalt Brick and Tile Company for street pavements. Appropriating \$1,500 for entertain-

ing National Conference of Charities and Corrections. Authorizing the City Attorney to proceed with condemnation proceedings for the opening of Randolph Street to Main, the cost not to exceed \$4,610. Appropriating \$3,000 for street signs. Appropriating \$2,000 for the purchase of a fire escape for the High School building.

Authorizing the City Attorney to discontinue condemnation proceedings for park site in West End, near Rosemeath Road.

LESTER STREET COMMISSION

Judge Wilt Names Members to Estimate Value of Property Needed. Acting in accordance with a resolution adopted by the City Council, Judge Wilt yesterday appointed a commission to estimate the value of property in Lester Street which must be acquired by the city in an effort to raise the Fulton thoroughfare out of the water. The commission will be composed of H. L. Cabell, E. A. Catlin, Joseph Faherty, James H. Crenshaw and H. S. Wallerstein. The members will meet on May 24 to begin work.

DECLINES CALL

Rev. B. H. Melton Will Continue His Successful Work Here.

Rumors which have been in circulation for a day or two concerning the possible resignation of the Rev. B. H. Melton, pastor of Marshall Street Christian Church, were effectually set at rest by Mr. Melton himself yesterday, when he authorized The Times-Dispatch to make a positive denial that he had any intention of leaving Richmond at this time. Mr. Melton was honored with a call to one of the largest Christian churches in Tennessee about three weeks ago, but owing to the success of his work here and the possibilities of growth in his present congregation, he concluded to decline the offer.

By unanimous action taken at a congregational meeting on Sunday afternoon it was decided to erect a new house of worship on a desirable site. A campaign will be made for funds for the new church as soon as a small debt now resting on the present property has been liquidated.

GRAND COUNCIL OF ROYAL ARCANUM WILL OPEN
ANNUAL SESSION IN RICHMOND THIS MORNING

H. G. AVERY.

JAMES MCCREEDY.

Prominent members of the Royal Arcanum from all sections of the State poured into the city yesterday to attend the 25th annual session of the Grand Council, which will be held at Murphy's Hotel to-day and to-morrow. The visiting members were the guests of Henrico Council at a smoker in Nelson's Hall, in Fulton, last night, and the affair, though informal, was greatly enjoyed. Perhaps the most interesting feature of the evening was the presentation to Dr. J. F. Crane, who has been the representative of Henrico Council in the Grand Lodge for twenty-three years, of a banner ever owned by the council. For a number of years the banner had been lost. It was found a few days ago while moving some of the paraphernalia from one room to another. The presentation was made by Grand Orator W. T. Dabney. Dr. Crane responded with his usual grace and eloquence. This was also the appointed time for the regular meeting of the council, and six candidates were initiated. During the meeting Mr. W. Floyd Reams announced his candidacy for the office of grand scribe. An excellent musical program was rendered by members of Henrico Council. Speakers from the Grand Council were as follows: Mr. H. G. Avery, grand scribe; Mr. W. T. Dabney, grand orator; Mr. J. B. Blanks, grand secretary; Hon. J. Taylor Ellyson, chairman

of the finance committee; Mr. T. F. O'Connor, chairman of the executive committee; Hon. A. T. Lincoln, supreme representative; Mr. C. H. Lumsden, past grand regent; Dr. W. H. Ewald, past grand regent; Hon. Minnie Folkes, grand warden; and Dr. A. G. Brown, state medical examiner. Captain C. A. Crawford, Mr. W. Floyd Reams and Dr. J. F. Crane, of Henrico Council, also spoke.

Committees Meet.

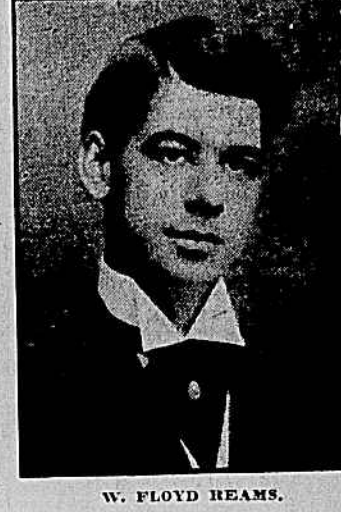

Preliminary committee meetings were held at Murphy's during the afternoon, and a good deal of work in mapping out plans for the sessions of the main body was done. The members will be the guests of Manager McKee at the Bijou to-night.

The past year has been a most prosperous one with the order, and the Grand Council will report a net increase of 200 members since January 1st. The election of officers will be one of the most interesting features of the meeting, and especially will this be true concerning the selection of representatives to the Supreme Council. Mr. Jas. McCredy, of Roanoke, will be advanced to grand regent, and there will be a pretty fight for the scribe's place, where the line officers begin. There will be two representatives chosen to the Supreme Council. Among those who aspire to these distinguished honors are Hon. A. T. Lincoln, Mr. H. G. Avery, Dr. W. H. Ewald, Mr. W. M. G. Avery, Dr. R. W. Arnold and Mr. C. H. Lumsden. These are the names that have been mentioned thus far.

Mr. W. Withers Miller, of Richmond, is chairman of the committee on credentials, and is one of the most important and responsible positions in the entire organization. The installing officer, who will act at the meeting which assembles to-day, is Mr. J. E. Swayne, of Washington, D. C. The order now has a membership of about 2,000 in Richmond and 7,000 in the State, and the most interesting feature in its history is anticipated.

BANQUETS TO OFFICERS

Henry Welcome from Mayor and Governor—Sailors Have Big Time. LOS ANGELES, CAL., April 20.—A long day of merry-making by the sailors of the American battleship fleet was brought to a close to-night with two big banquets, one to the petty officers at the largest cafe in the city and the other to the admirals and commanding officers of the fleet and members of their staffs. The latter function was provided at the Hotel Alexandria, the official fleet headquarters, and was made the occasion of formal welcome to Los Angeles, both Mayor A. C. Harper and Governor Gilllett being included among the speakers. Rear Admiral Charles M. Thomas, in command of the fleet, responded to the addresses of welcome, and placed the chair marked the place originally assigned to Rear Admiral Evans.

One-fourth of the men included in the entire enlisted force of the fleet came ashore to take part in the festivities planned in their honor. There were 3,600 sailors and marines in the

spring clutch which clasps the heel of the wearer and prevents chafing. Rubbing by the heel of the shoe rubbing up and down while walking.

liberty parties. Once on the beach they found free trains and trolley cars awaiting them, and arriving in the city they found all manner of conveniences at their disposal. Most of the sailors made at once for Chutes Park, where a boxing carnival, managed and refereed by J. J. Jeffries, was the first attraction of the day. The lightweight championship of the fleet was decided under navy regulations, Lutinski, of the New Jersey, winning from Myers, of the Ohio, in eight rounds. The barbecue and Wild West show followed the boxing tournament, and to-night the sailor boys had full possession of the streets.

(Special to The Times-Dispatch.) ROANOKE, VA., April 20.—A two-story frame building occupied as a residence and grocery store, owned by J. H. Jess, with contents, was almost totally destroyed by fire early this morning. The fire started in the store room and the family narrowly escaped with their lives.

The building was insured, but there was no insurance on the stock. The origin of the fire is unknown.

Dr. John F. Winn has returned from the Virginia Hot Springs, where he was called professionally on Friday last.
